Department of the Treasury

Fiscal Service

31 CFR Part 351
Offering of United States Savings Bonds, Series EE; Final Rule
DEPARTMENT OF THE TREASURY
Fiscal Service
31 CFR Part 351
Offering of United States Savings Bonds, Series EE

AGENCY: Bureau of the Public Debt, Fiscal Service, Treasury.

ACTION: Final rule.

SUMMARY: This final rule changes the interest rate determination for United States Savings Bonds of Series EE issued May 1, 2005, or thereafter.

DATES: Effective: May 1, 2005.

ADDRESSES: You can download this final rule at the following Internet addresses: http://www.publicdebt.treas.gov or http://www.gpoaccess.gov/ecfr.

FOR FURTHER INFORMATION CONTACT: Elisha Whipkey, Director, Division of Program Administration, Office of Securities Operations, Bureau of the Public Debt, at (304) 480–6319 or elisha.whipkey@bpd.treas.gov.

Susan Klimas, Attorney-Adviser, Dean Adams, Assistant Chief Counsel, Edward Gronseth, Deputy Chief Counsel, Office of the Chief Counsel, Bureau of the Public Debt, at (304) 480–8692 or susan.klimas@bpd.treas.gov.

SUPPLEMENTARY INFORMATION: This final rule changes the interest rate determination for United States Savings Bonds of Series EE. Effective May 1, 2005, the interest rate for a Series EE bond issued on or after that date will be a fixed rate of interest determined by the Secretary of the Treasury or the Secretary’s designee. The fixed rate will be announced each May 1 and November 1. The most recently announced fixed rate will apply to Series EE savings bonds purchased during the six months following the announcement (or for any other period of time announced by the Secretary).

The fixed rate will be established for the life of the bond, including the extended maturity period, unless the Secretary announces a different fixed rate or we amend the terms and conditions prior to the beginning of the extended maturity period. All other Series EE terms and conditions remain unchanged. These changes do not affect bonds that were purchased before May 1, 2005.

The fixed rate replaces the current variable rate for Series EE bonds. Currently, a new variable rate is announced each May 1 and November 1, and applies to bonds during the first semiannual rate period beginning on or after the effective date of the rate.

Consequently, a Series EE savings bond purchased prior to May 1, 2005, earned a new rate of interest every six months. A Series EE savings bond purchased on or after May 1, 2005, will have one rate of interest that continues for the life of the bond (although a different rate or method of determining the rate may be used for any extended maturity period).

Treasury periodically re-assesses each United States savings bond program and re-examines their pricing models. After the most recent re-examination, Treasury concluded that a change to the Series EE savings bond pricing model is necessary to reflect the unique characteristics of Series EE savings bonds, as well as to harmonize the price with the pricing models used for other series of savings bonds. The change will benefit investors by the establishment of a predetermined rate that will provide greater certainty as to the amount of interest that the bond will earn.

Procedural Requirements

This final rule does not meet the criteria for a “significant regulatory action” as defined in Executive Order 12866. Therefore, a regulatory assessment is not required.

Because this final rule relates to matters of public contract and procedures for United States securities, notice and public procedure and delayed effective date requirements are inapplicable, pursuant to 5 U.S.C. 553(a)(2).

As no notice of proposed rulemaking is required, the Regulatory Flexibility Act (5 U.S.C. 601 et seq.) does not apply.

We ask for no new collections of information in this final rule. Therefore, the Paperwork Reduction Act (44 U.S.C. 3507) does not apply.
